

Carleton Place Girls Hockey Association

August 2022

To Whom it May Concern:

The Carleton Place Girls Hockey Association is a place where girls ranging from the age 4 to 20 foster a love of sport and develop community values.

We are a completely volunteer run association that interact with the girls in numerous ways. The positions can range from executive members, coaches, trainers, team managers, on ice helpers, dressing room monitors to name a few.

Because of this our volunteers require a Police Records Check with Vulnerable Sector Screening performed to ensure the girls are in a safe environment.

This is to confirm that _____ is a volunteer with our association.

Regards,

A handwritten signature in blue ink, appearing to read "W Mayda", with a stylized flourish at the end.

William Mayda
Director of Discipline and Risk Management
